33rd Annual Ted Corcoran Memorial Golf Tournament

Sponsors

We never dreamed this annual golf tournament would be such a great success when we first started this event to benefit the American Heart Association. And a large part of that success is due to our sponsors—men, women, clubs, merchants—for strong support in this endeavor.

Since the very first tournament, we have raised funds to enhance our financial support of the Heart Association. With your partnership, we plan to contribute to the Association's healthy heart campaigns for the public and continuing education for professionals.

Therefore, we are requesting local merchants for a minimum of \$50.00 to sponsor a hole where your business name and address will be plainly displayed. If you wish to donate a prize to be given away at the end of the tournament, then we would be grateful for that.

I know that with your help this event will be as successful as it has been in the past. Over the past 32 years, we have donated over \$160,000 to the American Heart Association. Thank you in advance for any donation or prizes you may care to offer.
